

PAVIORS R.F.C.

Secretary Report

AGM

2026

Having taken on the role of Club Secretary in December 2025, I have only been in post for a relatively short time. As a result, this report is necessarily brief.

Firstly, I would like to thank everyone who has helped me settle into the role, particularly the other Board members who have patiently answered my questions and shared their incredible, decades-long knowledge of how the club operates behind the scenes. Paviors RFC is, in effect, a complex organisation run entirely on the goodwill of volunteers who give their time to support a club they care deeply about and want to see thrive for many generations to come.

While there is always more to learn, I look forward to building on this over the coming season. My intent is to continue improving the club's administration, keeping members informed, and supporting the volunteers who do so much to ensure Paviors runs successfully.

Finally, I would like to thank all of our volunteers, Board members, coaches, players and supporters for their continued commitment to the club. It is only through their time, energy and dedication that Paviors continues to thrive.
